

SAGINAW COUNTY BAR ASSOCIATION

Renewal Information

All attorneys in Saginaw County are requested to join and/or renew their membership in SCBA every year. We also welcome out-of-county attorneys, who occasionally practice here.

Starting in 2023-2024, all private practice attorneys were required under Rule 21 to name an assigned attorney as an administrator in case of death or cannot continue to practice. The SCBA Renewal Form has a place for you to update the name of your assigned attorney. We file this information locally to assist departed attorney's family with closing their office.

All Members receive this email in November inviting them to renew their membership per the SCBA bylaws, reminders will be sent each month through February. Membership renewals can be completed online with credit card payment, or by mail.
