

HURLBURT, TSIROS & ALLWEIL P.C. is a law practice based in Saginaw, Michigan, that for more than 50 years has been serving clients across the state. The firm focuses on providing practical, client-centered legal services rooted in deep knowledge of state and federal law. Team members collaborate closely to deliver thorough counsel, effective advocacy, and efficient case management. The firm offers a professional environment where legal practitioners can build lasting client relationships and develop their careers. Joining the team means contributing to a practice that values integrity, diligence, and clear communication. Our firm has achieved multiple million-dollar verdicts and settlements. Currently our practice includes a broad range of plaintiff litigation matters, including:

- Wrongful discharge and employment litigation
- Automobile and Michigan no-fault claims
- Construction accident litigation
- Dog bite cases
- Workers' compensation
- Social Security disability claims

We are seeking an ambitious new or established attorney interested in, not only a long-term opportunity but someone to grow in leadership and ultimately take over a thriving law practice. This is a unique succession opportunity for the right attorney who is motivated to build a future while continuing a long-standing tradition of representing people who have been wronged. The Lawyer will work on-site in Saginaw, MI in a full-time capacity, handling a diverse caseload from initial intake through resolution.

Qualifications

- Demonstrated ability in legal research, analysis, and practical application of state and federal law.
- Strong skills in legal writing, including drafting pleadings, motions, contracts, and formal correspondence.
- Effective client communication skills, including the ability to explain complex issues clearly and maintain professional relationships.
- Solid organizational and case management skills, including time management, deadline tracking, and attention to detail.
- Juris Doctor (JD) from an accredited law school and active license to practice law in Michigan (or eligibility for admission within a defined timeframe).
- Commitment to ethical practice, confidentiality, and adherence to professional rules of conduct.
- Ability to work collaboratively in an office setting and contribute to a respectful, inclusive work environment.

This is an exceptional opportunity for someone seeking meaningful work, substantial growth potential and the possibility of eventually leading an established and respected plaintiff law firm.
